PAY UP AND GET A BIG PRIZE.

FARM JOURNAL FIVE YEARS.

By special arrangements made with the publishers of the *FARM JOURNAL* we are enabled to offer a 5-year subscription to that paper to every new subscriber who pays for the *Courier* one year ahead; and the same offer is made to every old subscriber who will pay all back dues and one year in advance—both papers for the price of ours only.

In order to get the *FARM JOURNAL* as a premium for advance payment it will be necessary to walk right up to the captain's office, for we have only a limited number of 5-year subscriptions to dispose of. The *FARM JOURNAL* is on a solid foundation and perfectly trustworthy.

The Major committee is unearthing an inestimable amount of official rottenness in St. Louis.

The post-office at West Plains, Mo., was burglarized last Sunday of \$150 in money and stamps.

Did President McKinley go the whole hog when he sent Mr. Choate as ambassador to England?

The maximum age limit for enlistment in the United States army has been raised from 30 to 35 years.

JOHN J. SMITH is reported to be missing from his home in St. Louis. It would be difficult to miss a Smith in most places.

A BATTLE FOR LIFE.—You need for perfect health a plentiful and constant supply of pure new blood. Beggs' Blood Purifier and Blood-maker tones the stomach and assists digestion. We sell it. Sneed Drug Company.

The dailies, weeklies and monthlies of our country wield a wider influence than the pulpits; and perhaps even than the schools; for the press is a school we all attend every day in the week from the time we learn to read to the end of our lives.—*Outlook.*

Beggs' Cherry Cough Syrup gives you the essential qualities of the cherry tree bark from which it derives its name. It cures your stubborn colds, coughs of long standing and croup. It is the best known cure for *la grippe*. Sold by Sneed Drug Company.

The philosopher of the St. Louis *Star* figures it out this way: If marriage is a lottery then the Mormon theory may be correct. At least the man with three wives has two more chances of a prize than the fellow with one.

The Chilcot Pass, Alaska, hotel has letter-heads printed with these unique charges: Rates, \$8 per day, sleeping-room, breakfast and dinner. Guests must furnish their own blankets and lunch. Hot water and candles extra. Faro and stud poker games run by the management. Dogs bought and sold.

ODIN, KAS.

BEGGS' MF'G CO.—Sirs: I have used your Cherry Cough Syrup the past week for *la grippe*, and can cheerfully say it is a sure cure for that disease, as it cured me in a short time, and will cure others if they use it faithfully.—F. Shadle. Sold by Sneed Drug Company.

If the picture of Hon. J. H. Whitecotton, the representative from Monroe county, which appeared in last Sunday week's *St. Louis Republic*, is true to life, we are of the opinion that the Stephens administration forces at the state capital have given Whitecotton a chronic attack of buck ague, for which there is no known cure.

Nasal catarrh quickly yields to treatment by Ely's Cream Balm, which is agreeably aromatic. It is received through the nostrils, cleanses and heals the whole surface over which it diffuses itself. To test it, a trial size for 10 cents or the large for 50 cents is mailed by Ely Brothers, 56 Warren street, New York. Druggists keep it. A remedy for nasal catarrh which is drying or exciting to the diseased membrane should not be used. Cream Balm is recognized as a specific.

Do you understand that the persistent use of Beggs' blood-purifier and blood-maker will drive diseased germs out of your system and life will again be worth living. You cannot cure in one week or in one month a blood trouble that has been years in getting a foothold. Beggs' Little Giant Pills should be taken twice a week with this remedy. We keep it. Sneed Drug Company.

Resolutions of Respect.

To the Worshipful Master, Warden and Brethren of Warren Lodge No. 74, A. F. & A. M.

WHEREAS, the Grand Master of the universe has seen proper to call from labor to rest our worthy brother, John D. Bayne, and

WHEREAS, he stood as one of the most highly esteemed members of this lodge, it becomes us to but pay the last sad tribute of respect to his memory by engrossing upon the records of this lodge the evidences of that respect and reverence for his virtues that will stand as a lasting memorial of one whose every act was for the good of those with whom he associated.

While we reverently submit to the will of God, yet, we are conscious of a loss from our midst of a brother who was ever mindful of his duty as a man and a Mason.

In the death of Brother John D. Bayne the bereaved family has lost a brother, the lodge a faithful adherent and the community an exemplary and useful citizen.

Resolved, That in his memory we tender his relatives our most profound sympathy.

Resolved, That as an evidence of his high esteem that these resolutions be spread upon the records of the lodge, a copy furnished his relatives and a copy be given each of our papers for publication; and as a further mark of respect that the lodge be draped in mourning and the members wear the usual badge of mourning for 30 days.

O. B. ANDERSON,
W. G. AGEE,
M. W. ANDERSON, } Com.

HERE is personal liberty personified to a fare-you-well by the shoulder-strapped squirt-guns now in authority in "free Cuba." No private soldier is allowed to buy a glass of beer, wine or any kind of "licker." Yet the officers are privileged to booze to their hearts' content. The penalty against the saloon men of "free" Cuba for selling their wares to the plebian private American soldier, is a heavy fine and a close up.

THE New York Croak-ers are still trying hard to "knock" silver out—but their puny blows are not hurting the silver cause, even though they do show up the leaders of the New York Democracy to be skunks. There are hundreds of thousands of honest, earnest, loyal bimetalists in New York and their first duty is to drop all croakers against the silver cause and let them go to the Spanish camp—where they properly belong.

ANOTHER political party has been launched on the sea of destiny. It is called the "Union Reform party," and is composed chiefly of the outcasts, tail-ends, sore-heads and rag-tags of all the other parties. The new party has, however, one redeeming quality—it bars all prohibition fanatics. The party was born in Cincinnati last week, and will be in the market for bids at the next general election. The principle business of the first meeting of the new party was "discussion."

In volume sixteen, page 246, of the supreme court decisions of the state of Iowa, it reads: "The gold dollar is not a commodity having an intrinsic value, but MONEY having only a STATUTORY value." And on page 251, same volume:—and every dollar has the same value without regard to the material." Will the gold-bug papers now call these Republican judges "anarchists," "repudiators" or "cheap money advocates?" Perhaps they will.

THERE is about \$7 in gold per capita in the United States—of this amount there is now over two hundred and twenty-five millions hoarded in the national treasury, for the gamblers to speculate on—and as much more held in the vaults of the New York gold manipulators. Then how much is there left in circulation among the people? And yet all property values and the products of all human labor must, according to Jenstein, Hanna & Co., be measured by the gold standard of value. Hence it is clear to see that all debts contracted by the nation, by states, by cities, by counties or even by private individuals, have been doubled by the demonetization of silver—that it now takes twice the amount of labor or the products of labor to pay debts and taxes that it formally did—yet taxes and official salaries are on the increase.

Given Away Free

sixty-five dollar
high-arm
white
sewing machine

ON July 4th, 1899, I will give away, free, a Sixty-five dollar White Sewing Machine. The plan is as follows: * * I have written a number somewhere between 1 and 3,000 and have deposited it in a sealed envelope in the Farmers' Bank at Keytesville, and the one guessing nearest that number will be given the machine. No one knows what the number is, as it was selected from several other numbers that had been previously deposited in sealed envelopes.

In case two or more persons guess the winning number, the machine will be sold and the proceeds divided equally among the successful guessers.

All new subscribers and those who renew their subscription to the *Courier* before July 4th will be entitled to one guess on the machine.
